

# SALTBURN AND DISTRICT BRIDLEWAYS GROUP

## Autumn Newsletter 2016

Our Autumn newsletter is a bit different this time around. We would like to invite you to take part in our Bridleways Group Survey to help us find out what improvements we can make. Once you have completed your survey, please return to the address at the bottom of the page, or bring it along to our next meeting on 19<sup>th</sup> October where you will be entered into a prize draw to win free membership for the next year – including access to all of our member benefits! You can also fill out the survey online by visiting [www.saltburndistrictbridleways.co.uk/survey/](http://www.saltburndistrictbridleways.co.uk/survey/) - please encourage your friends and family to complete it too!

### **Come along to New Marske Sports Club**

Everyone is invited to attend our next public meeting. The event will feature a free talk on equine sports massage and myopractic therapy using McTimoney Corley techniques by Brocklesby-Brown Equine Therapy.

Come along to get your **free discount voucher** and discover more about the different treatments available and which professionals to ask for in which circumstances.

The meeting is being held at New Marske Sports Club on **Wednesday 19th October** at 7.30pm. New members welcome!

### **Motorbike warning**

Riders are being warned to take care after reports of people illegally riding motorbikes in Wilton Woods near to Yearby Bank. We are urging riders to be cautious and to report any sightings to the police along with a registration number if spotted.

### **Riders urged to report issues with drones**

We have received reports of horses being spooked by a drone near Marske. This is a subject that the BHS are taking very seriously. If you do happen to have an incident with drones, please do report it to the BHS. Advice from the BHS is available on our website.
